## WINEMAKING

Hand harvested in perforated crates.

Sorting table selection.

Complete destemming.

Selection of the first juice.

Debourbage with cold temperature.

Alcoholic spontaneous fermentation in French oak barrel (228 and 500 L.).

Ageing on lees in the same barrel for 12 months with "batonnage".

Fining with isinglass.

Tangential filtration.

## WINE TASTING

Visual: Yellow intense color with gold edges. Clean and brilliant.

Nose: Very intense, deep and complex nose: great ripe white fruits touch (apricot, Williams pear, vineyard's peach), toasted and spicy touches, mineral and empyreumatic notes.

Palate: Very rich and intense in the palate. The great acidity and the persistent flavors, add to his density, provides a long and deep taste. Wine with great personality and long potential to ageing.
